Jurisdiction

1. The Court has subject matter jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334.

2. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

3. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

4. By this Motion, the Trustee requests entry of an Order establishing a bar date for filing Administrative Claims (defined below) that arise during the Administrative Claim Period (defined below). Debtor also requests that the Order approve the form and manner of notice and the administrative claim form, all as set forth herein.

Background

5. On October 21, 2013 (the “Petition Date”), Debtor commenced a voluntary Chapter 11 case under Title 11 of the United States Code (the “Bankruptcy Code”) in this Court. Debtor continues to operate its business as debtor and debtor in possession pursuant to Code Sections 1107(a) and 1108(b).

6. On September 29, 2014 (the “Appointment Date”), an order was entered appointing Mark Calvert as the Chapter 11 Trustee in this bankruptcy proceeding.

7. The Debtor has had active operations between the Petition Date and the Appointment Date (the “Administrative Claim Period”), and Debtor may have incurred

1 administrative liabilities during the Administrative Claim Period that are not immediately
2
3 obvious to the Trustee.
4

5 8. The Trustee must understand the magnitude of administrative claims against
6
7 the Debtor because under applicable law those claims must be paid in prior to any payments
8
9 to unsecured creditors.
10

11 9. Therefore, in an effort to quantify such administrative claims, the Trustee
12
13 seeks an Order fixing a deadline by which any creditor asserting an Administrative Claim
14
15 against Debtor must file such Administrative Claim. For the purposes of this Motion,
16
17 "Administrative Claims" means those claims for payment of an administrative expense
18
19 under Bankruptcy Code Section 503(b) and entitled to priority pursuant to Bankruptcy Code
20
21 Section 507(a)(1) that arise during the Administrative Claim Period, October 21, 2013
22
23 through September 29, 2014. The Trustee requests that Administrative Claims subject to the
24
25 Administrative Claim Bar Date **include** claims for compensation and reimbursement of
26
27 expenses through September 29, 2014 for any professional retained in these chapter 11 cases
28
29 pursuant to separate Bankruptcy Court order, to be submitted in accordance with Bankruptcy
30
31 Code §§ 328, 330, 331, or 503(b).
32
33
34
35
36

37 10. For purposes of this Motion, the term Administrative Claim does **not** include
38
39 any of the following:
40

- 41
42 a. All fees payable under 28 U.S.C. § 1930; and
43
44 b. Any administrative claim previously allowed by specific Order of the
45
46 Court.

1 11. The Trustee requests that the deadline for filing such Administrative Claims
2
3 be May 31, 2015 (the "Administrative Claim Bar Date"). The Administrative Claim Bar
4
5 Date will provide for approximately sixty days' notice to any creditor who believes it has an
6
7 Administrative Claim. This date provides ample time for holders of such claims to quantify
8
9 and file claims. The Administrative Claim Bar Date also will allow the Trustee time to
10
11 review and analyze the Administrative Claims.
12

13
14 12. The Trustee requests that, except for professionals subject to Bankruptcy
15
16 Code §§ 328, 330, 331, or 503(b), all holders of Administrative Claims file a proof of claim
17
18 in the form attached hereto as Exhibit A and that any holder of an Administrative Claim who
19
20 does not file its claim on or before the Administrative Claim Bar Date shall be forever
21
22 barred from asserting such claim against Debtor or its estate.
23

24
25 13. The Trustee further requests that the Court approve the form of Notice of
26
27 Administrative Claim Bar Date attached hereto as Exhibit B. Debtor proposes to serve the
28
29 Notice by: (i) electronic service to all entities receiving electronic notice in this case; (ii) by
30
31 first class mail, postage pre-paid, to all other parties entitled to notice pursuant to
32
33 Bankruptcy Rule 2002, and to all parties appearing in Debtor's books and records as likely to
34
35 assert Administrative Claims, such as landlords and post-petition vendors; and (iii) by first
36
37 class mail, postage pre-paid, to all parties on the Court's mailing matrix.
38
39

40 14. Debtor requests that holders of Administrative Claims be allowed to file their
41
42 claims in the form attached hereto in the same manner pursuant to which creditors are
43
44 authorized to file proofs of claim with this Court, including by electronic filing (if such
